BITTU KUMAR SINGH

PYTHON BACKEND DEVELOPER INTERN

Meerut, Uttar Pradesh | +91-8809454240 | bittukumarsinghx@gmail.com

PROFESSIONAL SUMMARY

BCA student specializing in AI/ML, focused on Python backend development. Building hands-on experience with FastAPI, SQL/SQLite, and API integration through personal projects.

TECHNICAL SKILLS

Programming: Python, JavaScript, SQL
Backend & Database: FastAPI, SQLite
Frontend: HTML, CSS, Tailwind CSS
Tools: Git, GitHub

PROJECT

AI Flashcard Generator

Technologies: Python, FastAPI, JavaScript, SQLite, LLM integration

- Developed an AI-powered flashcard generation project using an LLM to support flashcard creation.
- Implemented interactive 3D flip cards for viewing flashcard questions and answers.
- Integrated the frontend with backend APIs built using FastAPI.
- Used SQLite as the database technology for the project.

EDUCATION

Bachelor of Computer Applications (BCA) — Specialization in AI/ML

Shobhit University, Meerut
Expected Graduation: 2028 | CGPA: 7.23

CERTIFICATION

Python Bootcamp Pro
